SUMMARY

Complex problem-solver with analytical and driven mindset. Dedicated to achieving demanding development objectives according to tight schedules while producing impeccable code.

EDUCATION

B.Tech in Information Technology

2018-2022

Acropolis Institute of Technology Research - Indore

12th - PCM

2017 - 2018

Dashpur Vidhyalaya Mandsaur

SKILLS

Skills : Java, Spring Boot, Microservices, Docker, Kubernetes, Kafka, SQL, OOPS, Graph QL, Snowflake, Power BI, PostgreSQL

EXPERIENCE

Software Developer II (SDE-2)

Jan 2025 - Present

HashedIn by Deloitte

Pune , Maharashtra

- Developing and maintaining scalable enterprise applications using Java and related backend technologies.
- Working with Snowflake for data storage, transformation, and analytics support. Creating and enhancing reporting solutions and dashboards using Power BI for business insights.
- Designed and developed scalable backend services using Java and Spring Boot for high-traffic enterprise applications.

Software Developer

Jun 2022 - Jan 2025

Amdocs

Pune , Maharashtra

- Migration of Java Application to Microservices for High Performance and high Scalability Code Designing and Implementing: To design the code pattern and develop new code according To the change request and delivering the customized code to customer Worked on MEC (Master Enterprise Catalog), SOM (Service order management) Implemented Kafka and Containerization (Docker Kubernetes) Reviewed project specifications and designed technology solutions that met or exceeded performance expectations.

PROJECTS

Android Application- AgroShop :

- It's e-commerce Application for Agricultural products.
- This Application detects plants disease using CNN and Keras and recommend product for their treatment.
- Front End and Back End is done using java and kotlin,using firebase database.

ACHIEVEMENTS

- Elementary Proficiency in Rest API development by Spring boot and in making CRUD Application .
- Received 6 * Badge in Algorithms by Hackerrank and intermediate problem solving certificate by hackerank .
- Solved more than 400+ problems on Leetcode, GeeksForGeeks, BinarySearch and Hackerank.

CERTIFICATIONS

- Microsoft Certifies : Azure Fundamentals - Jul 2022
- IBM Blockchain Essentials V2 - Jun 2021
